

GIVE HOPE

Blessing Bags

LIVE UNITED

an initiative of The United Way of Mid & South Jefferson County

The United Way of Mid & South Jefferson County is working to better the lives of our neighbors. With the Community as our partners, we fight poverty, invest in education and work to improve the health in our community.

The impacts of 2020 on our economy have left many facing uncertainty and financial strains that they have not experienced before. While we will continue our work with basic needs programs, we are looking at the current & future services for the homeless.

The United Way MSJC invites you to be a part of our new initiative, GIVE HOPE Blessing Bags. There are three ways to participate:

- Host a Collection Site for Seasonal Items
- Help stuff Give Hope Bags
- Make a Donation to support Give Hope Bags
- Help distribute Bags to those in need
