

We Have a **NEW** Menu

Additional Support, Services & Products Available @United Way

The United Way of Mid & South Jefferson County is here to support your Community Campaign from start to finish. In 2020, COVID presented a need to expand our traditional Community Campaign Resources. We now offer many additional resources for virtual and face to face Community Campaigns.

New "Menu" Items

- **Virtual/Online Auctions** - the United Way can host your online auctions for Campaign. You provide the description & pictures of items that would be available for bidding. United Way MSJC will provide a link to your company themed auction site. Payments processed on the site will be made directly to the United Way with a detailed report of winners/payments provided.
- **Experience/Trip Auction Items** - United Way has partnered with a company that provides a wide variety of trips packages at a reduced fee for auctions. The trips do not cost unless sold, providing a no risk enhancement for any auction.
- **Online Registration** - Through our online registration you can request Banners, Yard Signs, Brochures, Hard Hat Stickers, Pledge Cards, United Way Gear, Speakers, Presentations and Promotional Items.
- **Online Pledging & Campaigns** - United Way MSJC can develop a website for your company Community Campaign Pledging.
